**Is Your Church on the
World Wide Web??
Would you like to be?**

We have someone who has agreed to create a one page web site for each of our churches that do not have a web-site for a one time charge of \$15.

It will include your church's picture and pertinent information address, service times, etc. You can view a sample at <https://newcanaanbaptistchurch.wordpress.com/>

This is not full website privileges and once it is created, it will not be able to be upgraded unless there are changes to the pertinent information.

If you are interested, you can call our office at 387-1820.
