A Word From Bro. David

Mission 2023 is underway. We are making plans for Soddy Daisy, Tennessee at Camp Dogwood. This project will be June 25-30 then we will be in Livingston, Montana July 22-28.

Baptist Campus Ministries is underway at the Jasper Campus of Beville State Community College. Blake Prater is leading this for the association. He is doing an excellent job. They are meeting with 15-20 students a week. If your church would like to provide lunch one week, please call our office. You can provide food or funds to purchase something. We are also excited to announce that we will be launching a mission group for college aged students all across our association. These projects will be in our county. The team leader for mission projects will be Gary Freeman. The first project will be March 11, 2023. Call the office for more details.

Well, college football is over for a while, but, BASEBALL is here. I love high school, college, and pro baseball. Our youngest son, Cade, will begin his season at UWA in February. Leigh and myself enjoy freezing at baseball games. (LOL)

Thank you for your support to our Disaster Relief team. We have placed an order for the new trailer. We are still a little short on the total funds we need to pay for it. We are trusting the Lord to provide for the remainder. It will take a few weeks for it to be built to our specs. Pray for our team and our wonderful leader, David Hendon. He is passionate about what he does. He does it with excellence.

I am so amazed at how the Lord is blessing the work of this association. The people who volunteer, the pastors, those who serve on committees, THANK YALL. It is such a joy to come everyday to the WBA office and serve alongside all of you. We have wonderful churches that support everything we do. May God continue to lead us by His Holy Spirit.
